Reasonable tuition & **one-year programmes**

Dutch higher education offers incredible value; programmes for the 2024-2025 academic year will cost just over €2,500 for European Union (EU)/ European Economic Area (EEA) students. For students from other parts of the world tuition depends on your programme, and ranges from €8,600 to €28,500.

The majority of our master programmes take one year. However, there are some part-time opportunities or variations – such as research masters for those who wish to continue to a PhD and executive programmes for professionals – that take up to two years.

For more information about our master programmes, visit **eur.nl/en/education/master/overview**.

EU/EEA
generally
€2,530

Non-EU/EEA
ranging from
€8,600 to €29,500

Why study in Holland?

- **Quality education**
All 13 Dutch research universities are ranked in the top 2% of the world's best universities.

- **Orientation year**
After graduation, you are eligible for a 1-year work permit in the Netherlands.

- **English everywhere**
English is an unofficial second language here and nearly everyone you meet will be happy to speak English with you.

open to international minds

"To make it a just society for everyone, we need better policies respecting women and traditions."

Satya Maia Patchineelam,
PhD candidate

Satya researches how women adapt after development-induced displacement and resettlement; she hopes for preemptive policies protecting the livelihood of vulnerable groups as well as gender equality.

TIP:
More than **140 international online courses** across European universities are open to our students thanks to our UNIC alliance.

From master to PhD researcher

Each year, more than 300 academics complete their **PhD at Erasmus University Rotterdam**. All faculties have their own doctoral programme, normally a four-year track, during which you perform research on a particular subject under the supervision of a professor.

Our city is our laboratory: **welcome to urban, international Rotterdam**

With its huge port, famously multicultural population, and many multinational companies, Rotterdam – the Netherlands' second biggest city – is an environment full of cases, data and partners for research.
